

CALL FOR PAPERS

WORLD MED 2010

University of Cambridge, UK, February 23-25, 2010

The WORLD MED 2010 is the annual convention and gathering of all the WSEAS Medical Entities (Working Medical Groups, Medical Committees, Editors, Associate Editors, Medical Research Directors, Medical Projects Coordinators, etc...) is held each February in the University of Cambridge, UK. **More than 40 Plenary Speakers totally in the 6 parallel conferences have been confirmed their participation. See the links below.**

The accepted papers will be published and Indexed in **ISI, SCI, Web of Knowledge, EMBASE, EMBiology, Scopus**, and in other 30 indexes. Contact us for more details.

Sponsored by WSEAS, IASME, IARAS, WSEAS Transactions on Biology and Biomedicine,

University of Cambridge, UK, February 23-25, 2010

The World MED 2010 is composed by 6 parallel joint conferences:

- International Conference on MEDICAL PHYSIOLOGY: PHYSIOLOGY'10
<http://www.wseas.us/conferences/2010/cambridge/physiology>
- International Conference on MEDICAL PHARMACOLOGY: PHARMACOLOGY'10
<http://www.wseas.us/conferences/2010/cambridge/pharmacology>
- International Conference on BIOCHEMISTRY and MEDICAL CHEMISTRY: BIOMEDCH'10
<http://www.wseas.us/conferences/2010/cambridge/biomedch>
- International Conference on MEDICAL HISTOLOGY and EMBRYOLOGY: HISTEM'10
<http://www.wseas.us/conferences/2010/cambridge/histem>
- International Conference on ONCOLOGY: ONCOLOGY'10
<http://www.wseas.us/conferences/2010/cambridge/oncology>
- International Conference on PSYCHIATRY and PSYCHOTHERAPY: PSYCHO'10
<http://www.wseas.us/conferences/2010/cambridge/psycho>

Accepted Papers will be published in the Proceedings, Books + CD-ROM of the WSEAS that participate **in all the indexes (including ISI, SCOPUS, EMBASE, EMBiology, Compendex, EI, INSPEC, ACM, ASM, AMS,**

see more indexes here: www.wseas.us/indexes and distributed throughout the world.

In addition, they are archived in the WSEAS- eLibrary where they are permanently and easily accessible to the international community.

WSEAS Books are in ISI / SCI (Web of Science).

Download them now from the site of ISI .

(Click on the link: List of Conferences 2004-2008 and [download them in an EXCEL file from the site of ISI.](#))

As you can see [from the site of ISI](#) the criteria for including Books and Proceedings in ISI are very strict and most of the conferences of older societies are not in the ISI Index while all the WSEAS books and proceedings are inside ISI / SCI (Web of Science). [Check it on the site of ISI please, now.](#)

Delegates attending the WORLD MED 2010 (i.e. any of its 6 parallel conferences) will be invited to submit an extended version of their paper for publication in the *WSEAS Trans. on Biology and Medicine journals* which is indexed by **Scopus, EMBASE, EMBiology** and several other indexes: www.wseas.us/indexes

How to get to the conference place:

See the file: <http://www.worldses.org/programs/map-wseas-cambridge.pdf>

See also: New Hall College, Cambridge

<http://www.newhall.cam.ac.uk/contacts/directions/>

In Collaboration with the WSEAS IWG (International Working Group) on Oncology, the WSEAS IWG on Biology and Chemistry, the WSEAS IWG on Physiology, the WSEAS IWG on Histology and Embryology, the WSEAS IWG on Psychiatric, the WSEAS IWG on Pharmacology.

- A very strong and important feature is that the WSEAS is going to give you a new username and password WITHOUT EXPIRY DATE for on-line access in the WSEAS Conference proceedings **for ever.**
- Rich cultural and social part as usual. See, please <http://www.wseas.org/reports>

Updated location, accommodation and travel information, plus online submission form now available on the conference websites.

Visit one of the following web pages analogously your area and upload your paper via the link: "Submit a Paper"

- International Conference on MEDICAL PHYSIOLOGY: PHYSIOLOGY'10
<http://www.wseas.us/conferences/2010/cambridge/physiology>
- International Conference on MEDICAL PHARMACOLOGY: PHARMACOLOGY'10
<http://www.wseas.us/conferences/2010/cambridge/pharmacology>
- International Conference on BIOCHEMISTRY and MEDICAL CHEMISTRY: BIOMEDCH'10
<http://www.wseas.us/conferences/2010/cambridge/biomedch>
- International Conference on MEDICAL HISTOLOGY and EMBRYOLOGY: HISTEM'10
<http://www.wseas.us/conferences/2010/cambridge/histem>
- International Conference on ONCOLOGY: ONCOLOGY'10
<http://www.wseas.us/conferences/2010/cambridge/oncology>
- International Conference on PSYCHIATRY and PSYCHOTHERAPY: PSYCHO'10
<http://www.wseas.us/conferences/2010/cambridge/psycho>

TOPICS, COMMITTEES, PLENARY SPEAKERS etc...

Topics and Committees: see the previous links

More than 40 Plenary Speakers totally in the 6 parallel conferences have been confirmed their participation. See the previous links.

STATISTICS

Approximately each year about 4000 academicians attend the WSEAS Conferences and more than 4000 papers are published by WSEAS each year out of more than 13000 submitted papers. While from 13000 papers in WSEAS Conferences, approximately 5000 are approved and from them around 4000 thousand make registration and attend the congresses.

COMPLIMENTARY MEDICAL BOOKS FROM OUR LIBRARY free for all

Also, except the WSEAS Publications (registered in ISI, Web of Knowledge) ISI Books, Proceedings, WSEAS E-Library and Journals of the WSEAS all of you you will receive more than 45 medical books on the registration desk **free for all of you!**

(every book is a textbook for postgrads written by an expert, internationally pioneers on his field and contains more than 500 pages) **Attention:** They teach in their universities these postgraduate books (and not conference proceedings or collections of papers) for many years... These are the titles of the Books that you will receive with your registration: The conference bag will be too heavy, but do not worry For those that will make registration and will not attend, we will send them to their addresses. We will also send the best papers to our Springer Verlag books See: <http://www.wseas.org> (third column).

The conference bag will be too heavy, but do not worrywe will find the solution!

REVIEW PROCESS

The review of the WSEAS Conferences is organized by the collaborating universities. More than 4000 reviewers were used in 2008

IMPRESSIONS

As you know the WSEAS events always attract the most famous university professors as Plenary Speakers. This is one of the major characteristics of the WSEAS Events. See your own real comments after your attendance in the WSEAS Meetings
